

October 18, 2020

On behalf of the Auburn Parkside Church Board, we are informing you that effective on Thursday, October 15, Pastor Tony Jones officially submitted his resignation as senior/lead pastor of Parkside Church of the Nazarene.

Pastor Tony & Renee will continue to live in the parsonage during a time of transition. It is anticipated that by mid to late November they will be relocating to a new community.

On Sunday, October 25, at 6 pm, there will be a town hall meeting here on campus in this room for the Parkside Church congregation with District Superintendent Steve Scott. This meeting will focus on an interim leadership plan for the church and the procedures to eventually conduct a search for new pastoral leadership.

Please join us in prayer for Pastor Tony & Renee, and for the ministry of Parkside Church as we seek God's will in our continued mission to this community.
